3,500\	3,500	A recommendation has been sent through the Director of Public Health for the completion of the scheme by stages
3,000	3,000	Parts of the town are badly congested and the slum clearance proposed is in the interests of the health of the town as a whole The grant asked for is accordingly recommended
1,500	1,500	The drains in some of the streets are non-existent and consequently the health of the people is affected in view of the poor finances of the municipality the special grant asked for is recommended
6,860	6 860	The first stage of work has been completed and it is desirable to start the 2nd stage this year - work to be executed by the Sanitary Department
500	500	Work to be executed by the local P W D
5 040	5 040	A separate recommendation has been made to Government for sanction of an out-right grant of the entire cost of the estimate as the finances of this Minor Municipality are very poor to meet such schemes the work may be completed in four stages
500	500	This may be sanctioned as the area adjoins the Bangalore-Dharwar Road and is full of unsightly pits and mounds
1,750	1,750	The 2nd stage may be taken up this year in the interest of public health
2,500	2,500	The town is laid out on the slope of the hill and badly congested The formation of ~~the~~ extension is an urgent necessity In view of the poor finances of the municipality, this grant is recommended
